

ZAID SADOUN

PE

PRINCIPAL

Years of Experience

22

Education

San Francisco State University
B.S. Mechanical Engineering

CUNY Hunter College
M.A. Economics

Certifications & Licenses

Licensed Professional Engineer
(PE) in New York

LEED Accredited Professional

Professional Experience

2022 - Present	Principal, EP Engineering, LLC
2018 - 2022	Principal, Fiskaa Engineering
2008 - 2018	Senior Engineer, Fiskaa Engineering
2012 - 2014	Mechanical Engineer, NELSON Worldwide

Engineering Experience and Expertise

- Manage MEP design teams from due diligence, through design, filing and construction administration, for both tenant improvement and ground up projects: commercial office, retail, hospitality, residential, laboratories.
- Hire and train MEP engineers.
- Coordinate with owners and architects to establish priorities and scope for projects, and for future capital improvements.
- Design HVAC systems, including VRF systems, cooling tower, chiller, boiler and air handler systems, VAV systems, computer room air conditioning systems, and kitchen ventilation systems.
- Construction administration, including bid leveling, reviewing submittals, responding to RFI's and field reports.

Engineering Experience and Expertise

ADP – Dumbo, 10,000 SF fit out	Brooklyn, NY
ADP – Pasadena, 50,000 SF re-stack	Pasadena, CA
Appfolio – 100,000 SF gut renovation	Goleta, CA
Godfrey Hollywood – 70,000 SF ground up hotel,	Hollywood, CA
Sunset Tower - lounge renovation	Hollywood, CA
Van Cleef & Arpels - Miami Design District,	Miami, FL
