

# Blank Street Coffee

## Multiple Locations

Blank Street Coffee is a popular and growing American coffee company and coffeehouse chain. It was launched in Williamsburg, Brooklyn, in 2020. As of December 2022, the company operates 57 locations in New York, London, Boston, and D.C. EP Engineering has assisted with dozens of New York locations, offering full-service engineering including general engineering consulting, design, permitting, and sign-off.

### ACHIEVEMENTS

- Created a comfortable environment via space conditioning that was carefully design to be simplistic in construction.
- Thanks to our in-house expediting services, projects were permitted within weeks of inception.
- EP Engineering partnered with our sister company, EP Inspections & Commissioning (EPIC), for Special Inspections. This created a seamless compliance path for our Client, from design, to permitting, to sign-off.
